

Save The Animals Foundation Room Sponsorship

⇒ Looking for a great way to care for the STAF animals and their home?

⇒ Would you or your business like to show your support of animals in need?

A ROOM SPONSORSHIP IS FOR YOU!

By sponsoring an individual cat room, dog run, or a specialty care room at STAF, you support both the animals and their home here at the shelter.

As a sponsor, your name or that of your business will be engraved on a permanent plaque outside the designated room. You'll receive a letter of thanks, pictures, information about the special residents of "your room", and periodic updates.
